

MUHAMMAD BELVA ZULFAN FIRDAUS

Graphic Designer

Bandung, West Java, Indonesia | +62 852 7116 9969 | belvafirdaus29@gmail.com

SUMMARY

Multimedia Engineering Technology student with hands-on project experience in graphic design, visual branding, layout, and social media content. Experienced in creating promotional posters, Instagram content, merchandise visuals, and campaign materials for student organizations, communities, and F&B projects. Currently seeking a graphic design internship to gain professional experience, develop my skills, and contribute to creative projects.

EDUCATION

Telkom University | Bandung, Indonesia

Bachelor of Applied Science in Multimedia Engineering Technology | 2023 - Present

GPA: 3.41 / 4.00

ORGANIZATIONAL EXPERIENCE

HIMATREDIA - Entrepreneurship Division Staff | 2024

- Supported student merchandise, marketplace, and fundraising initiatives within the department.
- Assisted promotional strategy, product coordination, and campaign execution for department activities.
- Collaborated with team members to prepare campaign needs, ordering materials, and visual content requests.

MAPS 2024 - Promotions Team | 2024

- Created promotional content for social media platforms to support event awareness.
- Assisted with event branding and media partnership coordination.

PROJECTS

Golden Project (HIMATREDIA) - Merchandise & Promotional Design | 2024

- Designed promotional materials and merchandise visuals for student-led apparel and department product campaigns.
- Created Instagram feed and story content, promotional posters, and Google Form design for merchandise ordering.
- Maintained visual consistency across campaign assets to support branding and sales activities.

LariaH Running Community - Visual Branding & Social Media Design | 2025

- Developed logo direction and visual identity for a small running community initiated and managed with a partner.
- Designed Instagram feed layouts, Sunday Fun Run posters, social media announcements, and educational running content.
- Maintained consistent visual style across community branding and social media posts.

Slice & Sip - Branding & Social Media Design | 2025

- Developed visual branding direction for an F&B entrepreneurship project targeting students and young audiences.
- Designed logo concept, Instagram feed layouts, highlights, Market Day poster, product showcases, and customer highlight posts.
- Created marketing materials for pre-order and event campaigns while maintaining brand consistency.

Personal & Friend-Assisted Design Projects - Graphic Design | 2026

- Created personal design work and assisted friends' projects focused on branding, visual identity, and social media design.
- Produced poster designs, event documentation layouts, and promotional visuals for digital use.
